"Domestic Engineering" Index

Vol. CXLIV—July to December, 1934

This is the ninety-fifth index of "Domestic Engineering," an index for each half year appearing at the end of that period. We ask our readers to note the value of this index for reference, calling special attention to the articles on "Automatic Heat and Air Conditioning, and Heating," which contain many valuable and timely ideas.

Associational:—

American Society of Sanitary Engineering Holds Annual Meeting in Toronto. Aug., P. 144; Sept., P. 24

Calnan Cites FHA Possibilties.....Sept., P. 34

Calnan Program for Code Revision Wins Wide Support.....Aug., P. 37
